DEAR CLUB,

I work in the City for a large law firm and, as I'm sure you can imagine, things are pretty formal and dull day-to-day in the office. One day last week I was daydreaming in my office, thinking of my boyfriend and the things he had promised to do to me that night. My hand found my quickly moistening pussy, and I began to stroke my hard little clit. I had my eyes closed and was imagining Andy's dick pounding into me from behind, filling my tight cunt just the way I like it.

Suddenly, I heard the office door open and looked up into the surprised face of the new junior secretary, Claire. She stood in the doorway and stared at me. With my hand still working hard between my legs, she quietly shut the door and took a step towards me, one hand reaching up to tweak her nipple, her eyes fixed firmly on my wide open pussy. I could feel my orgasm starting to build as I looked straight at Claire. She had stopped in the middle of the room and had two fingers working in and out of her pussy, still staring hard at me. The sight of her pounding away at her cunt, fingers buried deep inside was too much for me. I groaned as my orgasm exploded through me, my juices pouring over my hand.

I stood up and beckoned to Claire and she came over to perch on the edge of the desk. I knelt down in front of her, pulling off the tiny g-string that she had pushed aside to get at her wet hole. I ran my tongue along the crack of her pussy lips, then gently spread them and

began to lick at her clit. At the same time I pushed a finger inside her cunt. She moaned and put her legs over my shoulders, exposing her tight bum hole. My finger was sopping wet from her juices and mine, and when I pushed against her bum hole, it slid in quite easily. I fingered her arse, gently at first then faster and faster, while I continued working at her clit with my tongue. Her pussy tasted delicious, and I could feel her twitch as she got closer to orgasm. I pushed my tongue deep into her cunt and she screamed as her orgasm hit, grinding her cunt against my face, covering it with her warm sticky come. I stood up and she kissed me, licking her own juices from my mouth.

There was a cough from behind me, and we both jumped in surprise. I turned around to see the youngest of the senior partners,

“I cried out, sure my tight arse couldn't take his huge erection...”

who often featured in my work fantasies, standing with his trousers undone holding a massive erection. He told us to bend forward over the desk, as work affairs were forbidden and we'd have to be punished!

I felt a sting as he spanked my arse, and heard a slap as he did the same to Claire. My bum cheeks got hotter and hotter as he continued to spank us, and my cunt started to tingle so I moved a hand between my legs and started fingering myself furiously. I could tell from the panting and whimpering noises Claire was making that she was doing the same. I really wanted to feel Claire's fingers bringing me off rather than my own, but Simon had other ideas! He told Claire to kneel on the desk in front of me, and as she did, he dropped to his knees behind me and began

while Claire watched from her place on the desk. She kept encouraging Simon to fuck me harder, which he did! I was so hot and horny, I couldn't wait to feel him shoot his hot come deep into my throbbing cunt.

Suddenly, Simon pulled out of my cunt and pressed his cock against my bum. I could feel my hole stretching as he pushed harder. I cried out, sure my tight arse couldn't take his huge erection though I soon relaxed and felt him slip inside. It was the most amazing feeling, my arse was completely filled and I could feel my ring tighten around him as he shafted me from behind. The sight of me taking such a good fucking was enough to set Claire off again. I could see her juices running over her hand. She reached out and put her come covered fingers into my mouth for me to lick clean. The taste of Claire's sweet cunt, coupled with Simon's vigorous thrusting was enough to send another wave of pleasure through me. I pushed back against Simon and begged him to fill my arse with

expertly working his tongue into my sopping snatch. Claire's cunt was level with my face and I couldn't resist burying my head between her legs again.

Simon stood up and I could feel the head of his big cock between my legs. In one quick, hard movement he was buried up to the balls in my welcoming pussy. He fucked me hard and fast

his spunk. He groaned, and I felt him fire a warm jet of come deep in my bum. This strange sensation was too much for me and I orgasmed again, my knees buckling as I climaxed.

Simon, Claire and I have become great friends since that afternoon, and we have had a couple more 'meetings' in my office. I did remember to get a lock put on the door though! – Kirsty, Stoke Newington.

Hot diggity damn! Now, who is this fine filly I see before me, with a luscious head of red locks and tidy figure? Well, let me answer that question, as we are more than a little ecstatic to welcome newbie Arya Fae to the pages of Club. No doubt you can see why...

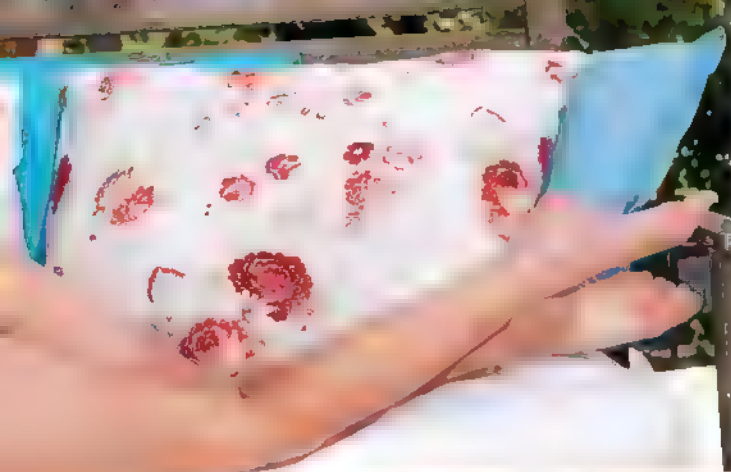

The American born lovely is a frequent traveller to far-flung hot climbs and has a keen interest in pole dancing, which sounds like our bag.

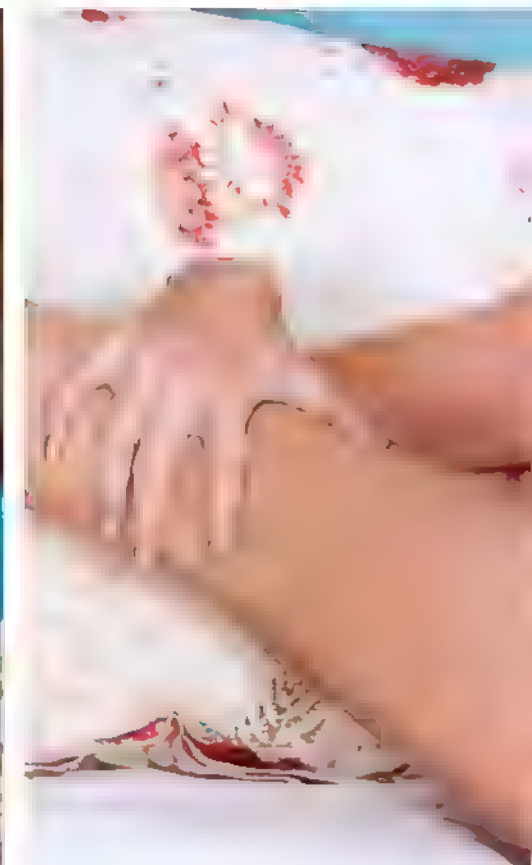

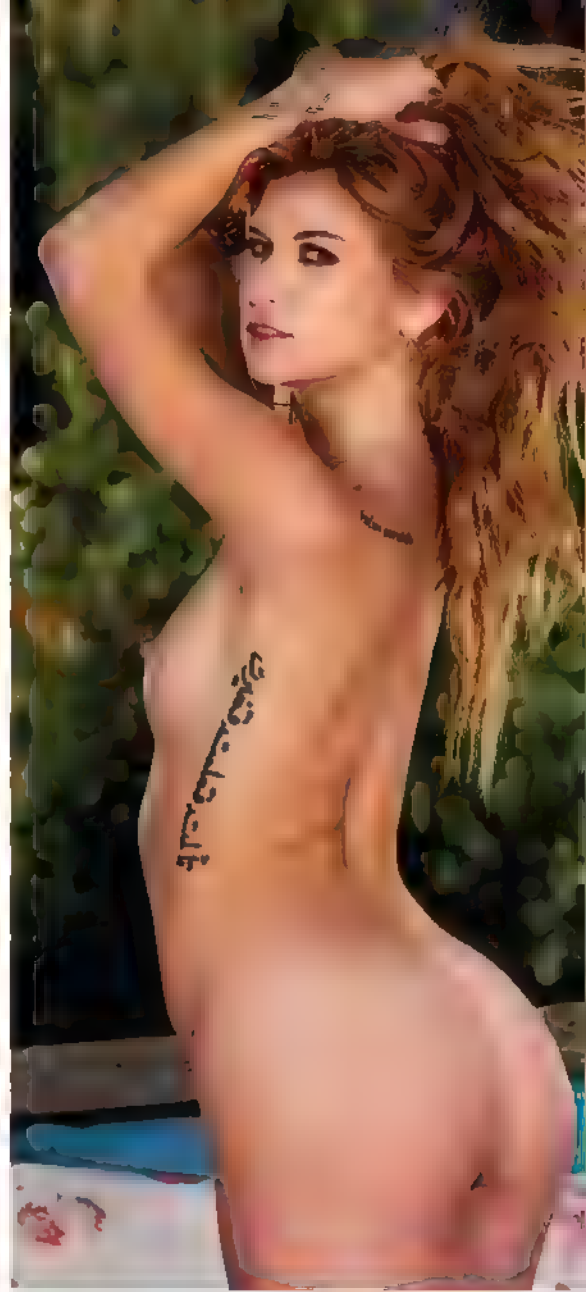

"There's something so seductive and yet athletic about shimmying up and down a pole. I do it more for me than an audience though."

Well, we could certainly find Arya a pole to wrap her legs around I'm sure.

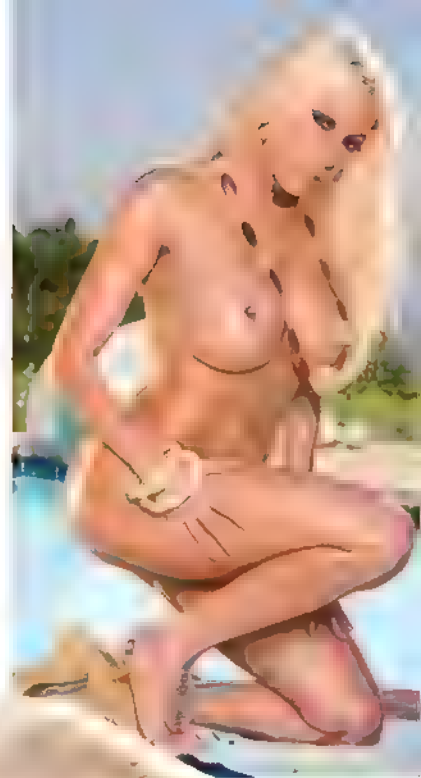

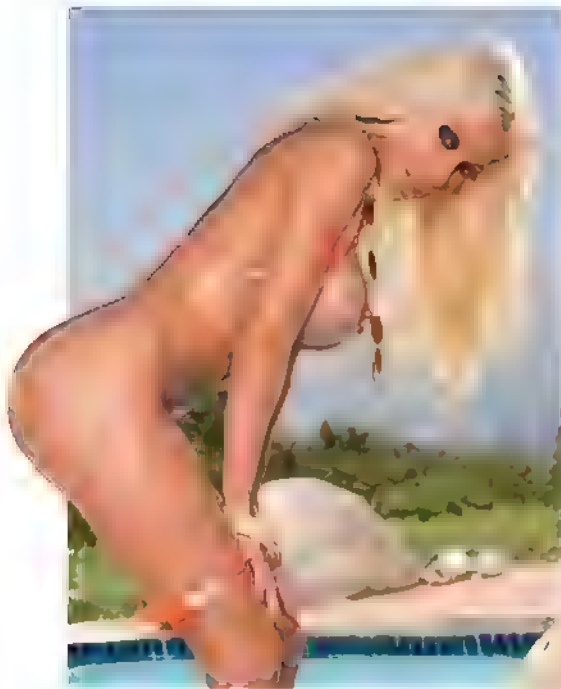

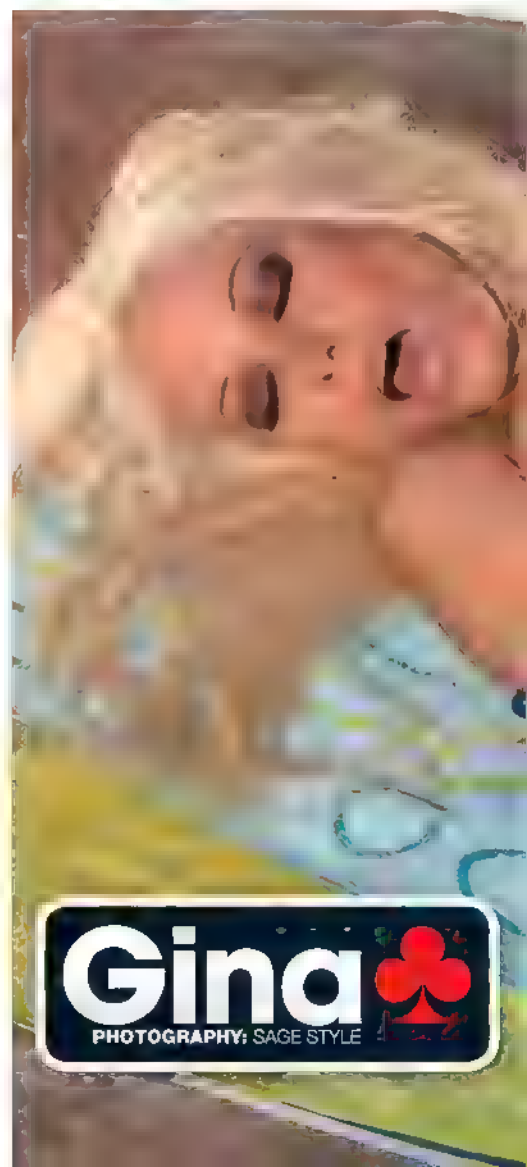

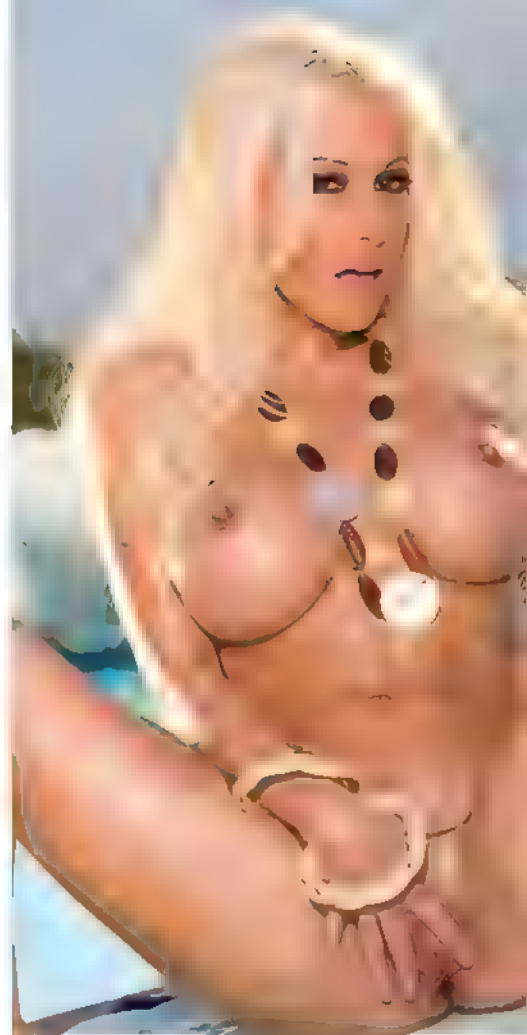

TOTAL
RECALL

Dear Total Recall,
Once upon a time, Paul Raymond used to publish an absolutely cracking
mag, which I'm sure a lot of your readers will remember, yes you've guessed
it by now I'm sure! I'm talking about Mens World!

Well, back in Vol.22 issue 7, I came across what can only be described as the perfect
blonde, with massive tits and a nice pink pussy, which she spread by the pool for my
delighted eyes. Her name was Gina Lynn, and she looked like a right goer! If possible,
it would be great to see her again.

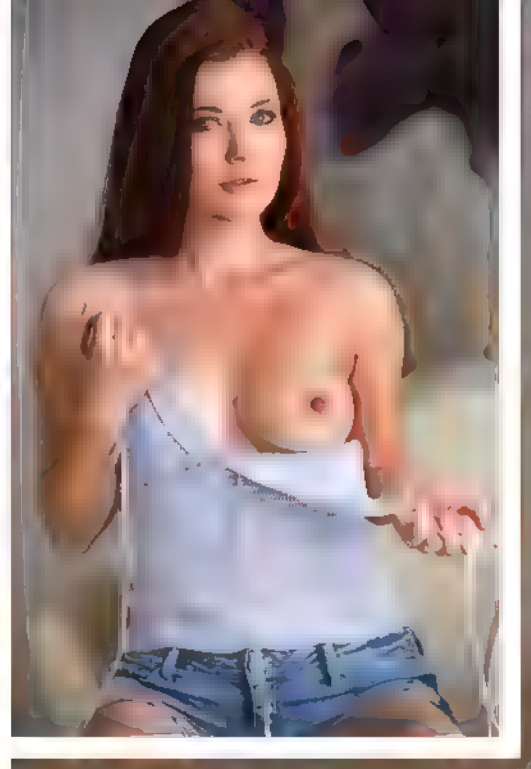

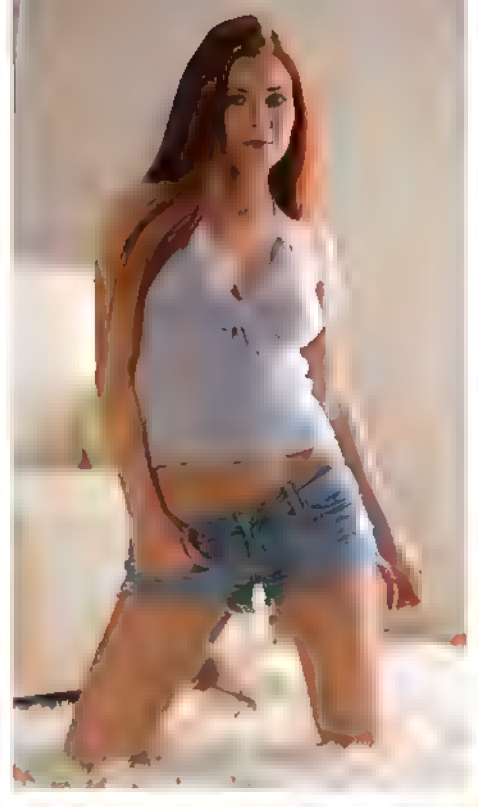

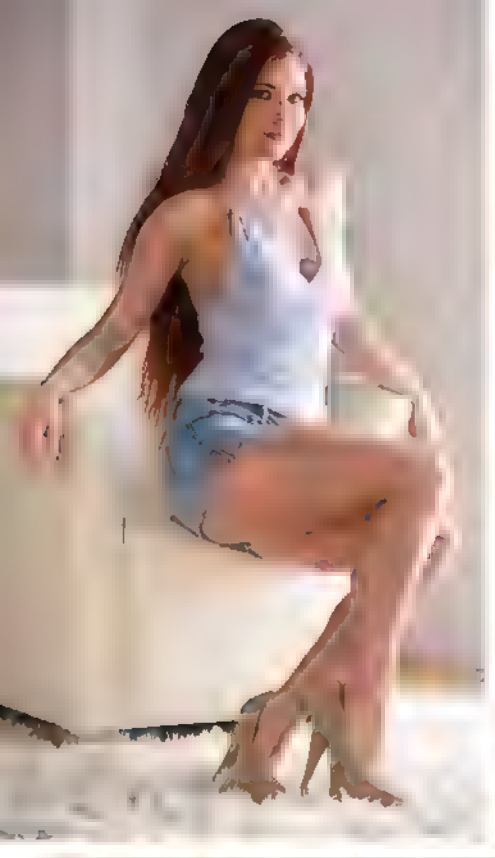

Roy, Gravesend.

T♣AL RECALL

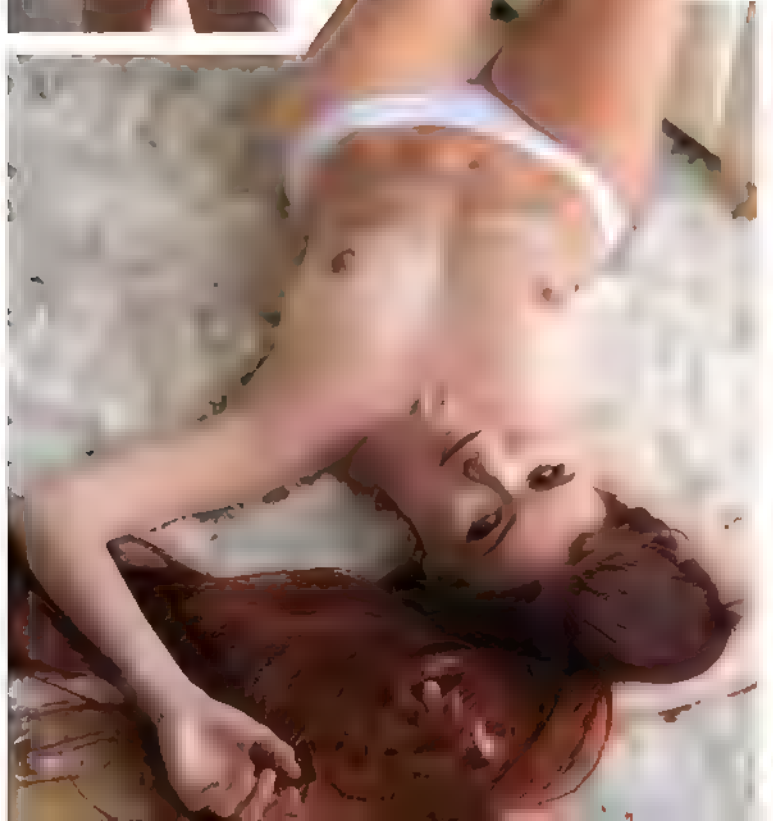

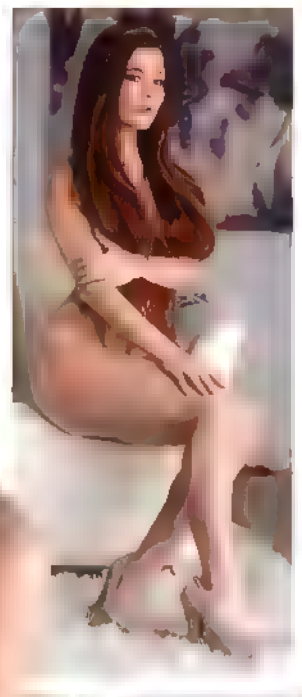

It's always a pleasure to have Mia Sol in the building, as the petite redhead always causes quite the stir. The all natural gal recently added a new and curious image to her body, though I guess not that curious when you come to think of it. Mia's new tattoo depicts a scene from the Kama

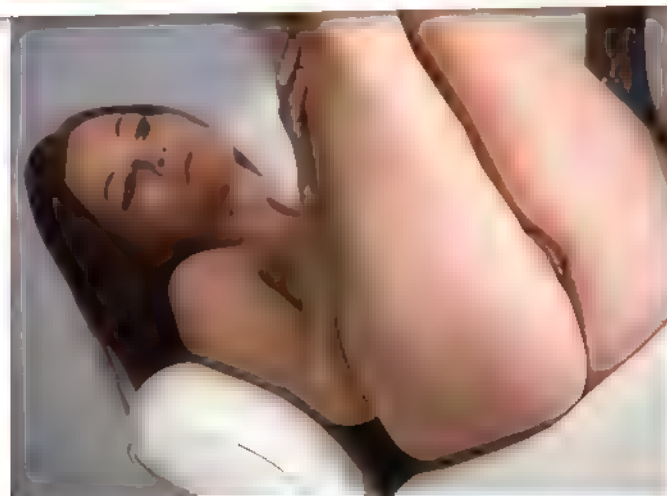

Sutra.

"I really like it, and I wanted to get something that was really me and showed my passion for all things erotic."

Well, in certain circumstances at least if someone's unsure of what to do you'll always have a diagram to hand.

Artificial intelligence isn't just confined to movie screens nowadays but is becoming more of a household regularity (but don't tell Will Smith). So as the digital age ramps up a notch what fun tricks can you get up to at home? Well, Cozmo maybe able to help there. A tabletop rover (just think Wall-E with tracks) this little palm-sized robot comes with three smart LED cubes which, the little critter can manipulate. Fairly easy to use with a slick app that gets you to try your hand at coding, there's also facial recognition, which at times can be slightly hit and miss, so perhaps the camera could do with an update. A curious robot with sweet animated eyes that will provide hours worth of fun and games.

Janice is certainly getting the juices flowing, as this New Yorker dressed in underwear we wish certain members of Baywatch had supported, lounges by the pool on a hot sunny day, which has us sweating from more than the sun.

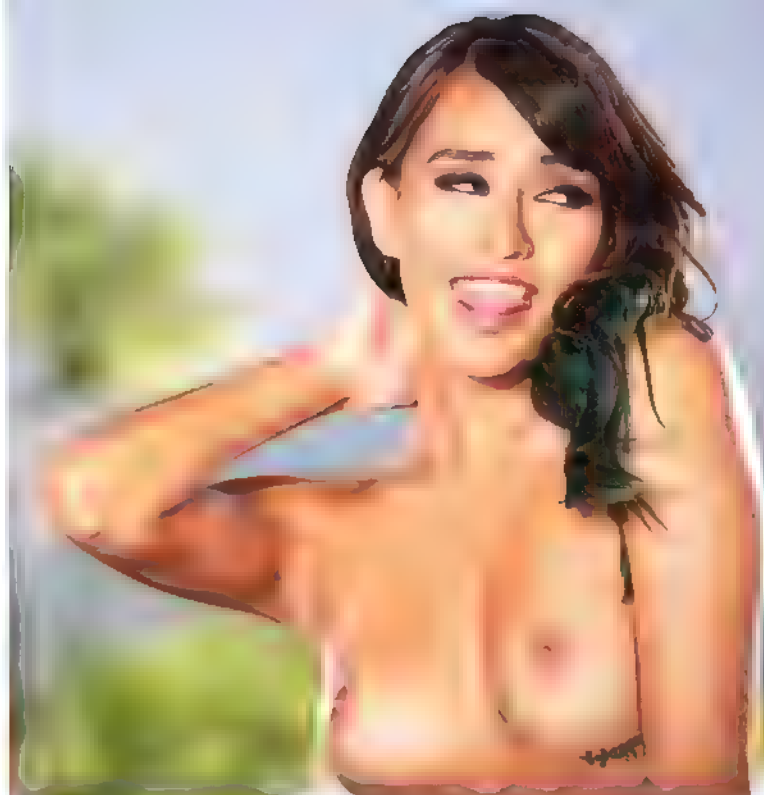

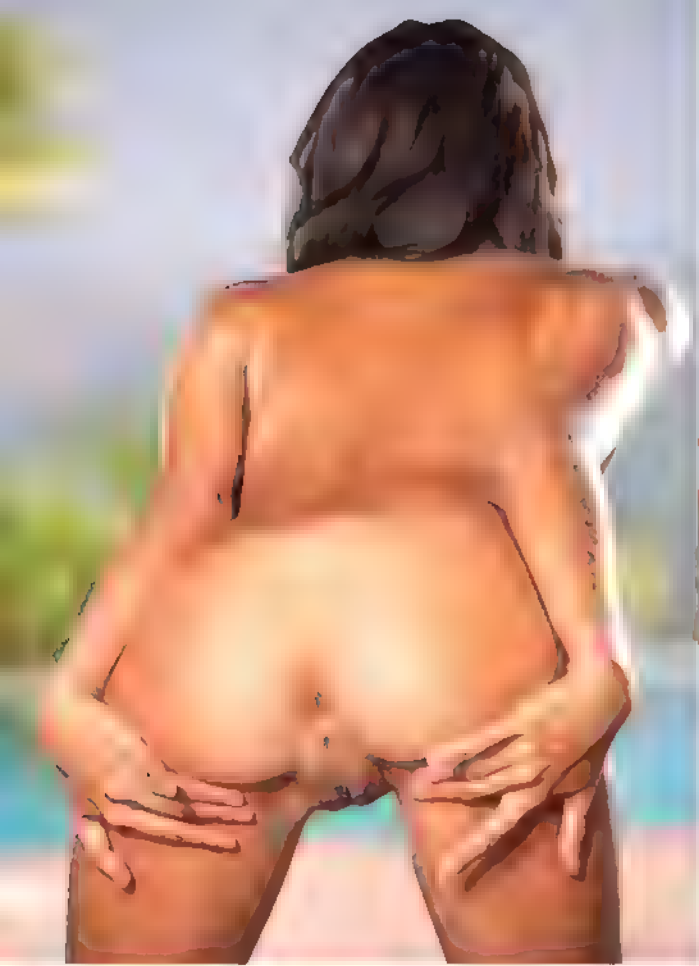

The self-confessed bisexual has always been curious but never thought she'd find herself in the porn industry, and yet has been delighting us since 2014 when she was just 18-years-old! Unclipping Shay Lauren's corset would be an honour bestowed indeed, as the vixen blonde teases with her pert bottom and landing strip. The international star has had her hands full since 2006 when she was discovered by Crystal Klein and moved from the exotic shores of Hawaii to the mainland for her big break. A self-confessed Wes Anderson fan who loves playing dress-up, Shay is the ultimate wet dream that will never tire. So lock and load for Miss Laren, who I'm sure will give you quite the surprise

One saucy Scot has come to our recent attention in the spellbinding *Star Wars XXX Parody* released earlier this year, but it looks like things on Planet Earth aren't going nearly as wrong for Georgie Lyall, who's been putting more than a smile on her fans faces recently. It looks like you've had a pretty hectic filming schedule recently?

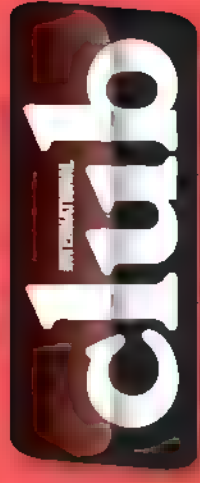

"Yes it has been manic, but such great fun, especially shooting *Star Wars: The Last Temptation*. Unbelievably fun all round, and it looks great too!"

I think we are all hoping to see more of Miss Lyall in the future and here's to her Club debut.

Cracking Christina has us all in raptures with a pair of doves you'll undoubtedly be cooing over, as this sexy Latin daintily slips off her kit for the camera revealing her large succulent nipples, that might have you reaching for a bowl of cornflakes. But what does the

love get up to in her spare time? "Between shoots and filming, I'm at home which is currently Italy, so you can imagine all the great wine, food and company. Food with friends is one of my big likes." A glass of vino with Christina sounds like a sure way to cure the winter blues.

Talkin' Blue

HIDDEN PASSION

My friends and I stumbled across a nudist beach when we were in Greece this summer and it turned out to be the unlikely highlight of my holiday. We'd spent most of our time crashed out on the poolside but by the end of the week we were getting a bit bored of the same faces and decided to explore more of the island. We'd taken a bus to a different resort and asked one of the locals where the best beaches were. Realising we were total strangers to the area, he pointed out a quiet cove and we wandered there – oblivious to what we'd find when we reached our destination! As we turned off the busy stretch of beach and made our way across the warm sands, my friend Alison spotted the first naked sunbather.

"Fuck, that woman's got no bikini bottoms on," she squealed wildly.

Sure enough, when we looked, Alison was right. We expected topless girls, but hadn't been prepared to see anyone stark naked. As we slowly stalked the beach we started to

make out more and more bare bodies – in all shapes and sizes. My other friend Tanya immediately got the giggles, pointing out various people's genitalia and by the time we were in the middle of the beach, the three of us were almost hysterical.

"We can't stay here, we'll have to go back," I managed to say. But Alison and Tanya had other ideas.

"Let's stay for a while, we don't have to take all of our kit off but it'll be fun to watch the others," Tanya said.

At first I wasn't too keen but my mates managed to persuade me we'd have a laugh. We put down our towels and I'd never felt so conspicuous as I unwrapped my sarong. Imagining everyone would be waiting for me to strip off, I quickly sat down on the sand. Unlike my mates I don't normally go topless

but as they unhooked their tops I felt ridiculously over-dressed. Impulsively, I unclipped my bikini bra and stuffed it into my bag. Among so many naked people I didn't feel as exposed as I would have usually and actually realised it felt great to release my pert breasts. Tanya was watching and giggling again. She urged me to go one step further.

"Shall we do it, we might as well go the distance just to see how it feels," she whispered to us.

Alison didn't need much encouragement and in a split second they'd pulled off their bottoms and were waiting for me to do the

"I flicked my tongue around his shining purple helmet, lapping up the trickle of pre-come..."

same. Once they'd done it, I wasn't quite so apprehensive and surprised them by whipping off my knickers too. The three of us sat there for a few minutes, getting used to being naked in public and it didn't take long for me to realise that I actually really liked the sensation. I felt so free but naughty at the same time and I began to relax with the thought of other peoples' eyes on my body.

When my mates ran off down to the sea, laughing wildly, I had a chance to look around at the other people near me. We'd picked a spot next to a young couple and I spotted the man watching me while his wife sunbathed – oblivious to her husband's wandering eyes. Suddenly, I felt empowered by my nakedness and incredibly horny. Pretending to need something from my beach bag, I stood up. I held his stare for a few moments, then turned my back on him to give him an eyeful of my peachy arse.

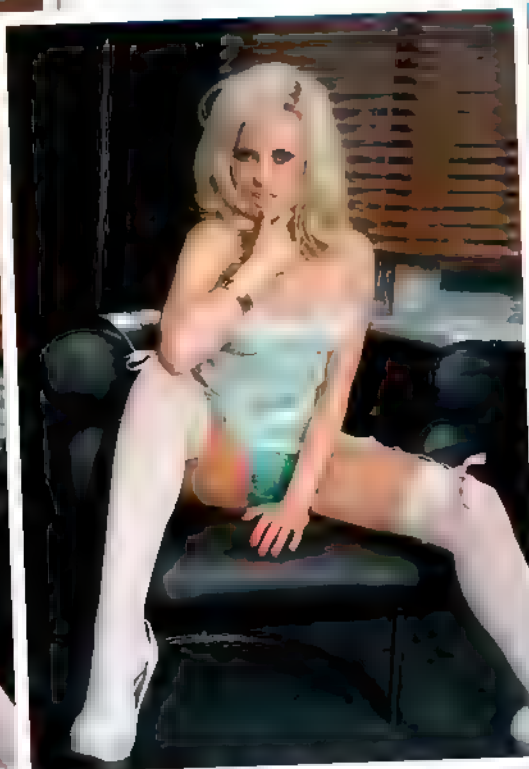

Knowing full well that he was watching my every move, I bent over to reach in my bag – allowing him a perfect view of my plump shaven pussy lips. I felt my fanny start to juice up at the thought of him staring at my cunt and held my position for a moment or two. When I turned around again I was shocked, but pleased, to see my teasing had done the trick. His flaccid cock had sprung

into life and was now erect and excited. He smiled at me and I felt a surge of lust flood through my body. I took my bottle of sun lotion and squirted two streams of creamy liquid across my chest suggestively. Slowly, I rubbed the lotion into my skin, blatantly paying far too much attention to my stiff pink nipples. By this point my snatch was begging for some action. Then in a final rude gesture, I squirted a wad of cream across my bald pussy and gently massaged it into my lips.

This really had him drooling and I decided to see how up for it he really was. I nodded towards the wooded area that fringed the beach and began to walk there – desperately hoping he'd follow. He made a quick check to see if his wife was still sleeping, then pulled a towel around his waist to hide his fat, hard cock, and sneaked away.

I couldn't believe what I was doing but decided I was on holiday and I deserved to let my hair down. As soon as he reached me, his hands went wild over my body. The fact that I'd made him so madly horny made me even crazier for a shag and we started kissing passionately. I didn't ask his name or even his nationality but it didn't even cross my mind because all I wanted and needed was a good screwing. Hidden by the long grass and olive trees, he pushed me to my knees and nudged my head towards his bulging dick.

I don't normally like giving head but for once I really fancied taking a cock in my mouth. I flicked my tongue around his shining purple helmet, lapping up the trickle of pre-come that had leaked from his eye, then clamped my lips firmly around his shaft. Slowly, I lowered my head, feeling his foreskin roll back and ensuring I took as much of his length down my throat as possible. He groaned in delight as I began building a steady sucking rhythm, while I massaged his heavy

“ I felt it force open my plump pussy flaps... as he rammed his huge shaft into my tiny hole.”

pounding at my fanny like an animal. Normally, I would have considered it a bit rough but at that moment I wanted nothing more than to be fucked senseless by a domineering stranger. My small tits shook with the force of his thrusts and I licked two fingertips to rub my stiff nipples. In his excitement, my lover was pushing my legs further and further over and my bum was lifting off the ground. Desperate to get deeper inside me, he was ramming his prick harder into my cunt and I could feel his hairy balls slapping against my arse cheeks.

The whole thing was so mind-blowingly dirty that I was soon on the verge of an orgasm. Realising I was almost there, I reached between my legs to find my clit. Because of the way he was holding me it was difficult to get my hand between my tightly clenched thighs but I managed to get a finger onto the right spot. My stiff button was swollen and buzzing with arousal. My entire cunt was gushing with excitement and it took about 30 seconds of scrabbling with my clit to bring me to a shattering climax. The sight of a stranger banging me so furiously did wonders for my orgasm and I struggled not to scream to the whole beach that I was in fucking ecstasy. My naked lover had felt my cunt shuddering with excitement and was about ready to come to his own climax. I felt his thrusts become slower but harder and his prick seemed to grow even stiffer inside me as though it were about to shoot its cream. I prepared to feel my snatch flood with his spunk, but at the last moment he pulled out and wanked his entire load across my bald pussy. He let out a low groan as the final jets of come leaked onto my glistening lips.

When we made our separate ways back to our sunbathing spots, I was amazed to see nobody had even noticed our disappearance. His wife was still tanning her back and my mates were splashing around in the sea.
Christine, Leamington Spa

WATCH CLOSELY

When my relationship with my boyfriend, Neil, hit rock bottom a few weeks ago, I suggested we book a cheap holiday in the sun to try to fix things up. We'd been so busy with work over the past six months that we hadn't paid much attention to each other and I thought a break abroad might help spice up our very stale love life. I wasn't wrong – although

balls very gently with the palms of my hands. I could feel his cock veins throbbing between my lips as I varied the intensity of my sucking and this made my fanny tingle even more.

Before long he was too turned on to cope with any more oral and roughly pushed me onto my back. He held my ankles together and with one strong arm pulled them back towards my head to give him access to my slit. With my legs held together, my tight little fanny hole would have felt even snugger than usual as he eased his throbbing prick into the entrance. I felt it force open my plump pussy flaps and a jolt of pain shot through me as he rammed his huge shaft into my tiny hole. But the pain quickly subsided and as I adapted to the girth of his huge cock, the discomfort was replaced with sheer pleasure.

Still holding up my legs, he began

**“He took hold of my
fleshy boobs and
kneaded them firmly,
before taking my
nipples between
his teeth...”**

things didn't turn out quite the way I'd planned.

It was such a relief to leave behind our worries in rainy Britain and chill out on the hot sands in Tenerife. We spent the first few days simply soaking up the rays on the beach and having romantic meals at night, enjoying being alone together. But on the fourth day Neil got chatting to a bloke called Marc who was sunbathing next to us on the beach. I must have dozed off and woke up to the sound of them laughing loudly next to me. I rolled over, my skin warm and damp from the sun, and was about to complain about the noise but stopped when I saw Marc's handsome face. He was smiling and watching me intently. Suddenly feeling exposed, I instinctively grabbed my bikini top to cover my large bare breasts. I wondered how long he'd been watching me as I obliviously

sunned my bronze chest.

“Sorry we woke you Claire,” said Neil, “this is Marc, he works in one of the bars here.”

“Nice to meet you Claire. I see you like the sun,” he almost whispered in a flirtatious way that I thought would irritate Neil. But even as Marc blatantly scanned my hot slender body, my boyfriend didn't flicker. And when our new friend suggested he meet up with us for a drink that night, Neil amazingly said yes. Marc sat on the beach with us for a little longer, constantly eyeing my figure and his attention started making me really horny. But not only did it turn me on, the fact that Marc was admiring me seemed to be exciting Neil too. My bikini bottoms were soaking wet with excitement by the time he left us and I couldn't wait to see him again.

I downed far too much vodka while we waited for Marc later that evening and when he eventually arrived I was giggly and relaxed. The three of us got on brilliantly and when Marc asked me to dance, Neil just raised his eyebrows and smiled in encouragement. I'd never known Neil to react so well to another man giving me attention and as the night went on it became more apparent that he was really getting off on the fact that Marc wanted me.

Neil joined us on the dance floor and rubbed himself against my bum. I found myself sandwiched between two horny men and I could feel both of their erections pressing against me. I wriggled between them and their gyrating groins made me dizzy with lust. Marc's hands wandered to my hips and when he began stroking the shape of my curvy body. I wondered how far Neil would let him go, but he didn't stop him, instead he slipped his hands under my arms to grope my bouncing tits. I flung back my head in ecstasy, I couldn't tell who was doing what. Suddenly there were hands all over my body, stroking, squeezing.

I don't know if Neil and Marc arranged it but we were soon making our way back to our hotel room. The men walked on either side of me, Marc with his hand down my top and Neil with his hand up my skirt. By the time we staggered through the door I was gagging for a good seeing to.

“Take her mate, I want to watch while you screw her,” Neil said, taking a seat on the bed. I couldn't quite believe my ears but I wasn't about to miss out on such an opportunity.

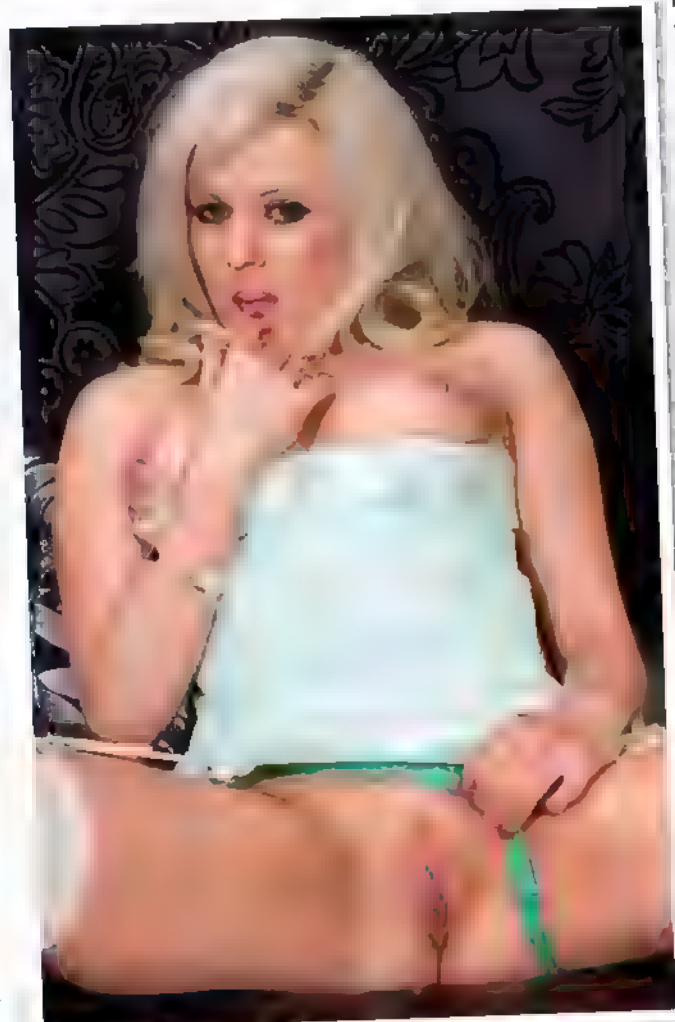

Marc grabbed me and pulled me to him, his stiff prick again rubbing against my pelvic bone. He began kissing me passionately and as he unzipped my tight top and skirt I heard Neil unzipping his trousers. My clothes fell to the floor, leaving me standing in just a black g-string and Neil grunted in excitement. He'd taken out his throbbing cock and began to wank it slowly while Marc caressed my tanned curves.

But his gentle treatment didn't last long. He took hold of my fleshy boobs and kneaded them firmly, before taking my nipples between his teeth and chewing them. I yelped, at first because it hurt, but then in excitement because it felt so fucking good. Then he whipped down my g-string and pushed me onto the floor. I was positioned on all fours at Neil's feet when Marc thrust his pulsating dick into my sticky snatch. I moaned in delight and looked up to see Neil watching excitedly. It felt so dirty to be fucked by another man in front of my boyfriend and I loved every minute of it.

Marc's cock was huge and it sank all the way inside my tight warm hole until his balls slapped against my bum cheeks. He allowed himself a few seconds to savour the sensation of having his prick swallowed by such a small hot cunt, before starting to build a steady momentum. He drew his cock almost completely out of my wet fanny before plunging it back, deep inside. I could feel his glands stimulating my g-spot and I ground down against his shaft. Marc groaned and grabbed my heavy swinging tits to steady himself as he pounded away at my hole.

By this point Neil looked like he was ready to fire his cream. His wrist was shaking furiously and his face contorted with pleasure. But instead of releasing his spunk, he decided he wanted to join in. He knelt down next to me and forced my head onto his veiny muscle. Now skewered at either end by two enormous dicks, I was in my element. I must have looked like a wanton porn star – sucking on one cock and taking it doggy-style from another and I intended to finish like a professional.

Although I could hardly breathe because of the powerful thrusts I was taking from behind, I concentrated on sucking Neil's cock properly. I gave him long, wet strokes to make him feel like he was screwing the tightest fanny, and I managed to take it much further down my throat than ever before. Neil seemed to appreciate that and grabbing handfuls of my hair, forced my mouth further and further down his twitching shaft.

“His wrist jerked as he finished himself off all over my cheeks and mouth...”

thrusts then pulled out and he too wanked his load across my face. I hadn't even had a chance to wipe Neil's spunk from my cheeks when Marc fired his wad at my mouth. This time I was better prepared and managed to swallow a mouthful of his goo. He moaned loudly as the last stream of cream covered my lips and I finished him off with a tongue bath.

We met up with Marc a couple of times after that night, as I said the holiday certainly spiced up our love life
Claire, Cambridge

The thought of being used as a sex toy by two men was just too mind-blowing for me to cope with and as I battled to take both cocks I felt an orgasm slowly building. I grabbed Neil's buttocks and held him steady between my lips as I started rocking around on Marc's prick. My movements stimulated my aching clitoris and in seconds I was coming hard. I would have screamed in slutty delight but Neil began ramming his cock in my mouth again in a new frenzy and as I felt my pussy juices leak down my thighs, Neil shot his load over my face. His wrist jerked as he finished himself off all over my cheeks and mouth and he didn't stop until he'd milked every last drop from his cock.

Marc watched as I gulped away, trying desperately to swallow Neil's come and this spurred him on. He gave my fanny a few more firm

OFFICE SLUT

My boss locked the door as she came into the office. "And what I am going to do with you, you little slut?" She was right, I was a slut, after all my skirt was tucked into my waistband and my knickers were on her desk. I hung my head and noticed that Mark's spunk was still trickling down my bare breasts. My whole body was still weak with the sexual release of my last orgasm and my freshly fucked arse was throbbing powerfully, sending waves of bliss through my body.

I looked at the clock. An hour, I thought to myself, an hour ago I didn't know I could feel like this. An hour ago I had locked myself in my boss' office with one of the guys from computer support. I'd recently given him a couple of hand-jobs in the gents in return for preferential service. However, it was obvious that we were hot for each other, so I'd arranged that Mark was installing some new software on my computer when my boss went for lunch. The way his eyes lit up as she packed up made my pussy tingle in anticipation. I giggled like a schoolgirl when he grabbed me round the waist from behind and nuzzled the nape of my neck. The reception area was much too public to risk anything more than a snog or a grope but the prospect of a proper fuck lay behind the frosted glass of my boss' office.

I moaned as Mark squeezed himself against me with my bottom pressed against my

boss' desk and then gasped for breath as he broke our kiss and his mouth found my little strawberry nipples. At the same time his fingers traced up the inside of my thigh to the damp gusset of my panties where they rubbed away at my pussy, getting me hotter and hotter until I was desperate to feel his cock inside me. I begged him to fuck me but he teased me even more by rubbing my panty-clad pussy with his cock. Eventually, though, he tugged my panties off and guided his hot meat straight up my hungry hole. It was absolute bliss as he drove it all the way into me then pounded me higher until my orgasm spilled over me.

Mark pulled out and guided me so that I was bent over the desk with the soft flesh of my breasts on the cool wood.

"...he forced it down between my buttocks and into my bottom."

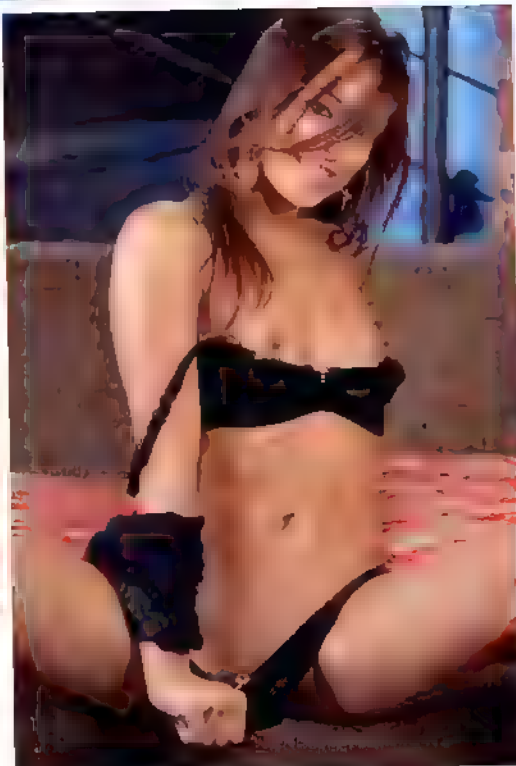

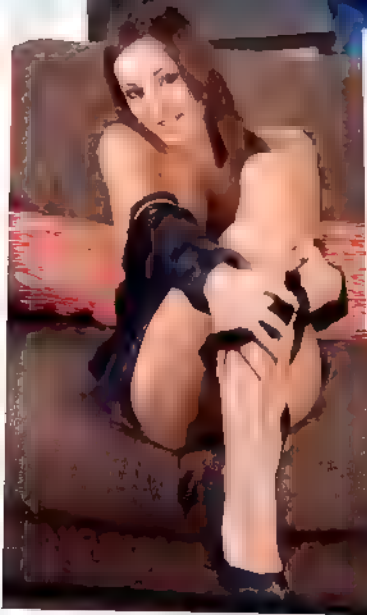

"Hmmm, nice arse," Mark said from behind as he admired my naked bottom. I spread my ankles even wider apart and wiggled my bottom seductively. I could feel his eyes eating in every little detail of my sex, every fold, every wrinkle. "Pretty arsehole too." He interrupted my dirty thoughts as he touched it with his fingers. I was horny and well up for a few anal antics and after a few minutes of fingering I wanted my arse to be fucked more than I could stand.

"Please," I begged him, thrusting my bottom out, "fuck my arse." I could see by the expression on his face that these were his wildest fantasies coming true. His cock looked ready to explode as he forced it down between my buttocks and into my bottom. My whole body tingled as he fucked me harder and harder, plunging his cock right up to his balls on every stroke. I was close to another orgasm with my fingers rubbing away at

my hot little clitty. Then, just as I thought he was going to come, he pulled his cock out to admire my gaping arsehole. "I can see inside you," he laughed before driving powerfully up my arse again. That was all I needed to break into another huge orgasm.

"I want to come on your face," he hissed, as his strokes became shorter and shorter. It seemed like a great idea with the waves of pleasure still pulsing through my body,

“...he fucked me harder and harder, plunging his cock right up to his balls.”

so as he whipped his cock out I crouched down on the floor with Mark standing over me pointing his cock at my face and waited. I love the anticipation, waiting like a porn slut to feel hot spunk rain down on my skin. I even opened my mouth and stuck out my tongue as Mark groaned and I was suddenly covered in sticky streamers of spunk. It was all over my face and breasts and some had landed in my mouth. I felt a satisfied smile rise on my lips but as I opened my eyes I saw her standing there. My expression froze in shock and my stomach churned.

Understandably, Mark was out of there in the time it took him to collect his clothes together. Carrie came back in and looked me up and down. “And what am I going to do with you, you little slut?”

Having sex was gross misconduct. There’d be an investigation and a hearing and even if I wasn’t sacked, it’d go on my permanent record with the firm.

“Please don’t report me,” I begged. “I need this job.”

Carrie said nothing for long moments as she stared at my near naked body, then quietly she said, “It’d be easier if you were a guy, then I’d just fuck you myself and that’d be the end of it.”

“You could fuck me,” I blurted out, before I realised what I was saying. I saw her eyes widen in surprise and then her expression softened into a dirty smirk.

“Okay. You make me come and it’ll be our little secret.” I nodded enthusiastically as my heart started to pound and I realised what I had just done. Like most women, I’d fantasized about having sex with another woman but now I’d propositioned my boss into a lesbian encounter to save my job.

My body was shaking uncontrollably as I moved to her and wrapped my arms around her, as much for support as anything else. Hesitantly I went to kiss her. I opened my mouth and invited

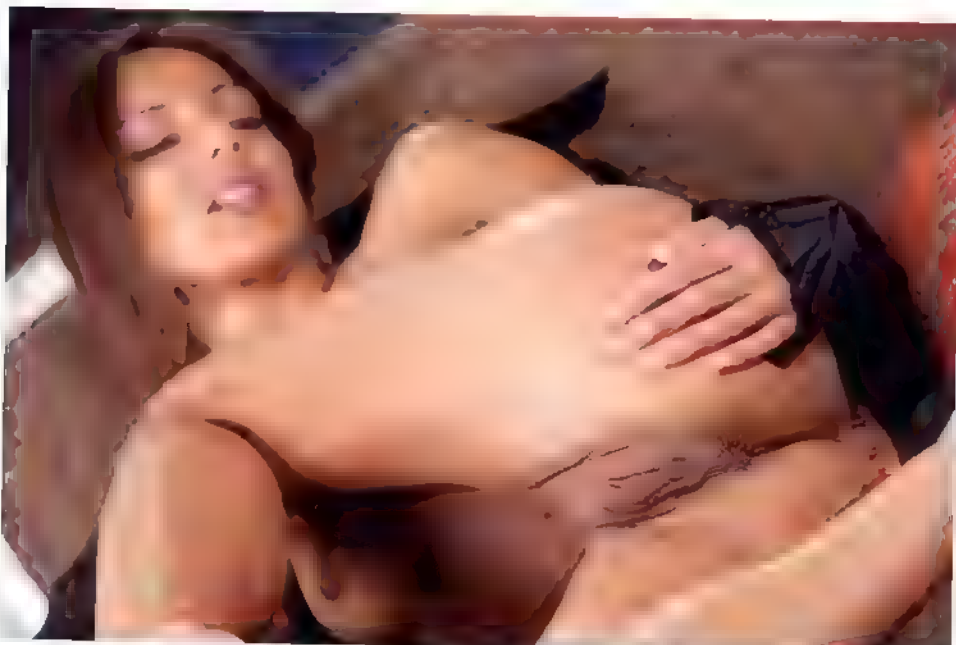

her tongue in, knowing that she’d be able to taste the salty remains of Mark’s spunk. Carrie responded like a horny teenager snogging behind the bike sheds. As my confidence grew I brought my hand up and squeezed her breast. It was firm and soft and I got a groan of approval from Carrie. In my excitement I managed to fumble her blouse open and unclasp her bra so that I could feast my eyes on her sexy slim body. I kissed her again with real passion before dropping down to her soft warm breasts. Then I brought my hand up under Carrie’s skirt to rub her pussy through her panties, just as Mark had done to me earlier. I could feel the fiery heat in her and knew that she’d be coming soon. Sure enough, her body tensed with orgasmic spasms and she dropped into her chair.

Carrie obviously thought our encounter

was over but I had what I can only describe as “pussy lust”. I wanted to see her pussy I needed to taste it. I knelt in front of Carrie and slid my hands up her thighs and into the sides of her panties and tugged them down towards me. Carrie looked down at me in dreamy surprise but then lifted her bottom so I could slide them off. She was watching me carefully as I pushed her thighs apart and laid eyes on another woman’s pussy for the first time. It was neatly trimmed and I could see the folds of skin glistening with juice. She was desperate to be touched but I made her wait as I kissed my way up her thigh. When I was right over it I prised her lips apart with my fingers and lowered my mouth onto her. She squeaked and hooked a leg behind my head, forcing me into her open cunt. I wormed my tongue as deeply into her hole as I could manage before gently licking and sucking her. As her second orgasm approached I jammed two fingers as far as I could into her arsehole. Carrie bit back a passionate scream as she squirmed and wriggled like mad but then she clenched up in orgasm with my mouth firmly attached to her spasming cunt and my fingers still buried knuckle deep up her arse and all her energy was spent.

Being professional women we were both fully composed a few minutes later when the afternoon appointments began. And being a professional woman, I now have to lick my

boss' pussy almost every day. — *Chrissy, Manchester*

ANAL VIRGIN CONVERTED

My girlfriend and I have been together for over a year now and I have been trying to persuade her to try anal sex. Up until recently, she has always refused on the grounds that it was too sordid or too painful. This all changed about a month ago when we booked a long weekend in Cornwall.

After a day lazing in the sun on the beach, we were both a bit parched, so we headed back to our hotel for a shower and an early night of romantic sex, or so I thought! To my delight, when I booked the room, I discovered that it had a four-poster bed. A romantic touch Sophie would appreciate, but for which I had other ideas.

After a cool shower together, Sophie asked me to rub some moisturiser into her sun-dried back. I got her to lie face down on the bed whilst I applied it. She put her towel down and lay naked on top of it. Her petite frame, now bronzed by the sun, instantly provoked a stir of excitement under my towel. I climbed on top and sat astride her buttocks with the lotion in hand. She let out a gasp as I applied the cool liquid to her slightly red shoulders and began to gently rub it in. As I leant forward to massage it in, I felt myself rubbing my groin into her bum cleavage and my prick sprang to attention in no time.

Sophie began to writhe slowly underneath me as she sensed my erection throbbing.

She reached around to grab it, wanking me slowly as I worked the moisturiser down her back towards her bum. I then spotted that the curtains round the bed had velvet sashes to tie them back with and I was struck with inspiration. Before Sophie could stop me, I had tied her hands to each of the front bed posts. She tried to turn over and face me but I grabbed her legs and tied each of them to the other posts. She was now face down on the bed, completely spread-eagled, naked and helpless. Her arse and pussy exquisitely exposed. I picked up the moisturiser and continued to massage lotion into her buttocks, then down the back and inside of her legs. She whimpered with excitement as I moved into her groin and started licking her pussy, tasting her sweet juices as she became more aroused. I probed her with my tongue, darting in and out and pushing it as far up her as I could. She was now pleading with me to fuck her.

“Put your dick in me! Fuck me now!” she said, but I had other plans.

I moved my tongue up her pussy towards her puckered ring leaving a trail of her juices and my saliva on her soft downy skin. I slowly pulled her bum cheeks apart to expose her tight arsehole, allowing me to apply pressure to it with my tongue. As I rimmed it eagerly, I felt her body tense up initially but she quickly relaxed again as she adjusted to this new stimulant. She was soon squirming underneath me and begged me again to fuck her.

“How about an arse fuck?”

I asked.

“Don’t you dare!” she replied. “You know I don’t like that sort of thing.”

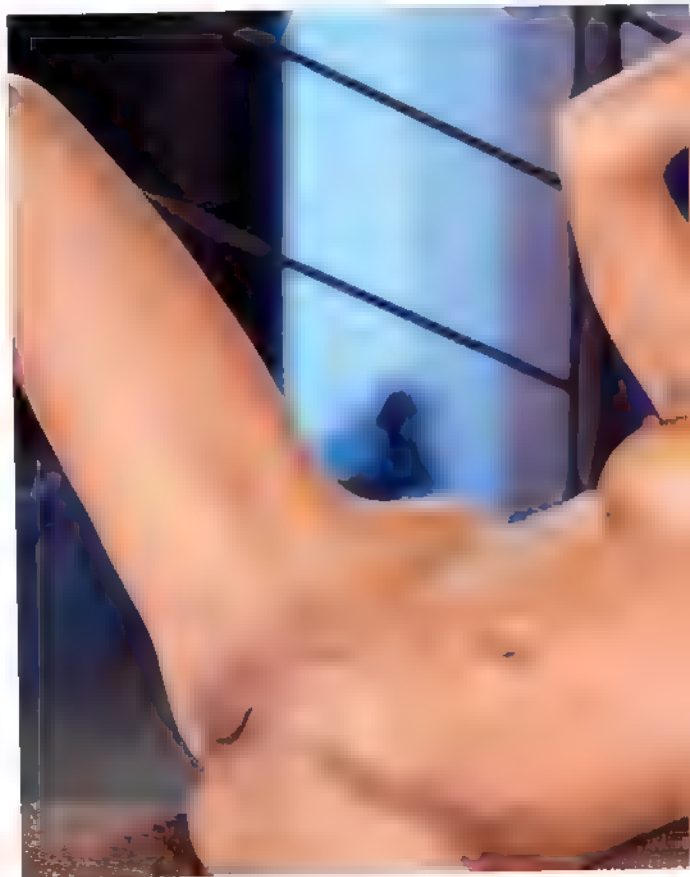

But I wasn’t going to take no for an answer this time. I picked up the moisturiser and began to work it around her arsehole, teasing her ring with my fingers, as she lay powerless to stop me. By this time, my cock was about to explode with excitement and anticipation. I pushed my dick up against her pussy and entered her easily in one movement, my seven inches disappearing up her to her hilt. She gasped and moaned as I ground slowly in and out of her. Then I pushed a finger into her back passage.

“Ouch! What are you doing?” she yelped as she tensed her ring, tight around it, halting my progress.

I ignored her and continued driving my dick into her pussy. As she became preoccupied with my shafting, she relaxed her ring and I began working my finger in and out of her gorgeous arse. Plunging it into her in time with my thrusting cock.

She began moaning louder as I pounded harder and faster, in and out of both her holes. “Oh my God, I’m coming! I’m coming!” she groaned in ecstasy. I felt her simultaneously spasm her pussy around my dick and her ringer around my finger, as a flood of her come juice oozed past my cock.

Somehow, I had managed to hold back from coming but decided I wanted the ultimate prize. I withdrew and repositioned my cock at the entrance of her back passage. I paused as I nuzzled her ring with my helmet, waiting for approval.

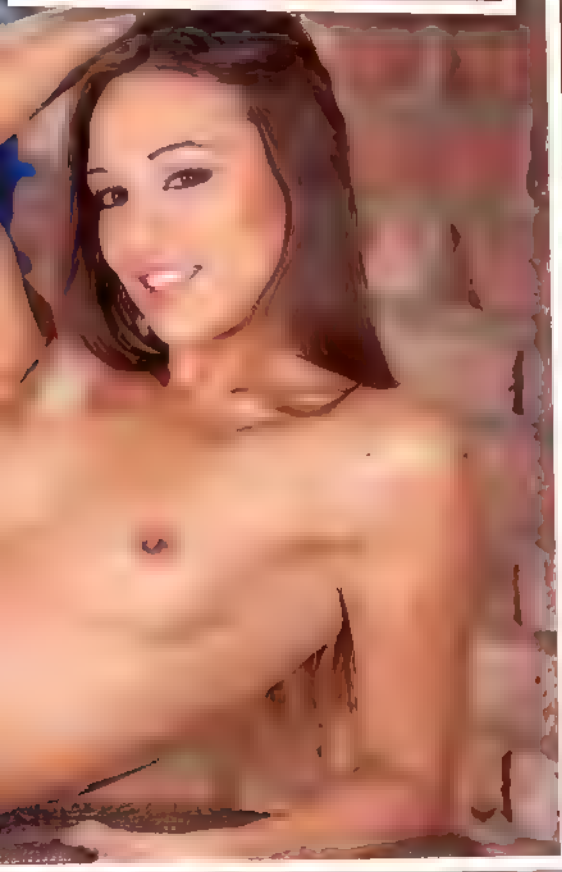

"Go on," she said. "Push it in, but go easy."

I pulled her cheeks apart and gently increased the forward pressure of my cock. She gasped again as my helmet popped past her puckered hole. She tensed up and I stopped, whilst she became accustomed to the extra girth of my penis.

She took a few breaths before easing the tension in her ring and then breathed, "Go on, fuck me. Fuck me up the arse!"

I didn't need asking twice as I slowly fed the rest of my length up her dark hole.

I grabbed hold of her hips and slowly began pumping in and out, steadily increasing my thrusts as Sophie arched her bum up to meet them. This felt better than anything I could ever have dreamed up. The excess friction on my cock, as it rammed past her tight ringer, was just fucking heaven and in no time I was grunting as I felt my own orgasm building. I pumped harder and faster, driving in and out until I could feel my balls slapping up against her glistening pussy lips.

I looked up at Sophie's head. It was tilted to one side and I could just make out the look of concentrated ecstasy etched into her expression. She was loving it just as much as I was! I couldn't hold off any longer. I spurted out what must have been the biggest river of come

I have ever unleashed, deep into Sophie's arse, just as she tensed and cried out with her own orgasm.

I stayed in her for a while enjoying the spasms in her ring before climbing off to untie her. Then she turned around with a look of anger and slapped me full on in the face.

"Why the hell didn't you do that twelve months ago? I can't believe I've been missing out for so long, you're going to have to make up for lost time. Starting in five minutes!" – Clive, Southampton.

Diamonds are Charlie Rose's best friend by the looks of things, as the foxy lady shows off a choker that probably made the purchasers eyes water. But that's enough said about the materialistic side of things, let's get down to the physical because Charlie most certainly holds all the cards there, showing off her curves, natural baps and peachy behind for the camera. It's like a scene from *Some Like It Hot* in the studio, minus the feathers for now...

What our well-placed moles are telling us this month...

DOWN THE WIRE

Tanked up

If you're going to hold someone at gunpoint in a grocery store car park at 1 am, then at least make sure the getaway car your driving has a full tank of juice, unlike these two reprobates. 18-year-old Najee Logan and 21-year-old Justin Larry were recently charged with armed robbery after Police responding to the incident found the pair stationary in their car, with an empty tank barley two-miles down the road from where the crime

had taken place. These two woolly wombles were gaoled near Atlanta, with Gwinnett County police Cpl. Michele Pihra explaining that the arrest was down to poor planning by the suspects.

Snappy Trap

Wild swimming is all the rage these days with apparent health benefits galore, but that all goes out the window when you're stupid enough to swim in a croc trap. Australian authorities were 'gobsmacked' after it emerged a group of young men were seen taking their lives into their own hands by swimming into the mouth of a croc trap in Queensland, where it is thought earlier that month an elderly woman was killed by a crocodile. These traps are baited with meat already in the hope of luring crocs and to stopping them from attacking humans, but a bit more bait couldn't hurt. Currently, in Australia, it is illegal for anyone to interfere with one of these traps, and you could face a \$15,000 fine if caught.

GRAVE ROBBER
AT WORK

Just like a dud container on Storage Wars, a set of crooks in New Mexico got a nasty surprise after making off with a U-Haul trailer containing a body. Police say the thieves made off with an SUV and the trailer it was towing from outside a Residential Inn, with the casketed body of a woman's father which was being transported

for burial elsewhere. After receiving a distort phone call from the victim police quickly mobilised and located the SUV and trailer abandoned a few hours later, most likely the suspects fled after discovering what was actually in the trailer. Currently, no arrests have been made, but Police suspect three men pulled in for another incident where behind the theft.
